I. Read draft rules for regulating the establishment and control of Municipal Police, received with the Chief Secretary's Docket No. 335½—44, dated 11th May 1887, for the Board's opinion.

Resolved that the Board approve of the draft rules with the following modifications :—

(1) In rule 1 after the words " other duties " read "including the maintenance and submission of mortuary statistics and returns as at present." (Carried unanimously).

(2) In proviso to rule 4, after the words " buildings and property" read " and as Municipal office orderlies." (Proposed by Mr. Chidambram Iyer and seconded by Mr. A. Ananda Rao for the reason that there is now no other class of orderlies for the Municipal office and the Police have been doing the duty up to date approved by a majority-the Police Superintendent objecting to the addition of these words, in the interests of the department, on the ground that Police Constables should not be deputed as orderlies to any office, which is not the office of a Police Officer or Magistrate).

(3) In rule 8 after the word buildings read "provided for in the Budget."

II. Resolved (on proposition made by Mr. Chidambaram Iyer, and seconded by Mr. Shek Ibrahim) that the Board record their opinion that when Municipal Commissioners go out and find out any nuisance and other cognizable offences and report the same to the Police, the Police should take immediate notice and proceed with the cases in due course of law.

III. On Mr. A. Ananda Rao proposing that the Meeting be suspended as it was late, the President brought to the notice of the Board that in consequence of a Resolution passed at last Meeting requiring the previous submission to the Board of all estimates of Rs. 100 or more, the Board's executive were in an outward position, as there were several estimates on hand which the Board should consider at once, or the executive will either have to stop work which could not be consistent with their duty to Government, or to go on with it which will have the appearance of a disregard of the Board's authority and wishes. The President added that the Resolution was on principle a very serious one requiring much consideration and discussion before it might have been adopted, and that its adoption at last Meeting without adequate notice to submit it to the Board particularly required reconsideration.

Resolved (on proposition made by Mr. A. Ananda Rao, and seconded by Mr. Ganesh Singh) that the Resolution of last Meeting requiring that the Board's sanction should be previously obtained for works costing Rs. 100 or more be held in abeyance till the next Budget discussion.

T. ANANDA RAO,
President.
